The Ocean Pet Caring Foundation, in partnership with Ocean County Veterinary Hospital and Fischer Veterinary Hospital, is very excited to announce their fourth annual “Cause for Paws” 5k run and one mile fun walk to raise awareness for local animals in need of veterinary care. The attached flyer details the entire event. In order to organize a successful event, we are asking for your help.

Through the Ocean Pet Caring Foundation (OPCF), quality veterinary care is possible for sick or injured pets even if they have been abandoned or if their family is experiencing financial hardship. We also support various pet adoption programs across Monmouth and Ocean counties. By partnering with rescue organizations, local shelters and other non-profit agencies, the OPCF can match more families with homeless pets.

With the support of local running clubs, we are striving to make this event a huge success not only for OPCF, but for you, the local business owners in Lakewood, Toms River and the surrounding areas. This is an excellent opportunity for you to market your businesses’ services as well as your support of OPCF.
